Maps

Maps are on the English 1020 page. You also have a handout from class on Sept. 21

*Note the two entrances/exits on the maps. Please do not exit through other doors unless there is an emergency.*

Where to Find Books

Your “graded readers” are behind the Media Resources and Reserves desk on the “Upper Mall” level of the library. Check them out at that desk.

- While most reserve books are checked out for two hours at a time, you will be able to check out you can check out a grader reader for a week.

The JUV collection is on the “Lower Mall” level of the library. On entering the library, walk towards the windows. When possible, turn right and go past the “Reference” and the “Government documents” sections to find the JUV books.

- Undergraduates can check out books from JUV, Book Stacks, Government Documents, Just for Fun, New Book Shelf, and Oversize for three (3) weeks at the “Access Services” desk and can be renewed if no one else wants them.

- Other collections, e.g., Periodicals, Reference, Microforms, and physical media (CDs, DVDs) must be used in the Library.

*Note that you will need your Bay card to check out books.*

Other Materials

We also have electronic books, streaming video, and databases, which you can access either on campus or from where you live (your home in the U.S.). All you need is to find what you need in the library catalog or in the databases and follow the trail. If you are off campus, you will be asked for your net ID and password at some point in the process. On campus, you can follow straight through.
